

CHARLOTTESVILLE - ALBEMARLE RESCUE SQUAD

STANDARD OPERATING GUIDELINE

TOPIC: Squad Technician/Operator Training	S.O.P. # 5.4
Approved by: Lair D. Haugh, Chief	Revised: 2/9/2003 Approved

I. PURPOSE

- a. To provide a structured, uniform training procedure to ensure that all persons operating as a Squad Technician or Operator are adequately trained.

II. PROCEDURE

- a. The training requirements, levels, and procedures for Squad Technician, Squad Operator I, Squad Operator II, and Senior Rescue Technician are located in the Squad Truck Operations Manual (STOP), which is available from the Vehicle Rescue Captain.
